Vajol  
2007

VAPOLICELLA  
CLASSICO  
SUPERIORE

### BABY AMARONE!

The selected grapes were crushed at the beginning of November, after a month's drying on racks in the fruit cellar.

This wine maintains a good structure, supported by the considerable alcohol content. Clear, deep ruby red colour. On the nose, intense notes of red fruits. In the mouth, this wine is dry but well balanced, with pleasant hints of spice. This is certainly a Valpolicella with character, tannic and a bit rustic, with the distinctive attributes of the area where it is produced
